- 2. P.L.A.V. National Hospital Week takes place the 3<sup>rd</sup> week of June, every year. Let's make this the best week ever at the facilities we service, and make this a week to remember for our Veterans! And, don't forget all of the Lady Veterans we serve as well, who have a few different needs regarding personal care items. Check with your Voluntary Services Director at the facility you service to obtain a list of "needed / requested, and allowed items.**

Thank you for your attention to both requests above, and for your service.
